Attention Contract/Inheritance/Next of Kin Beneficiary's

Following the outcome of the meeting held recently with the World Bank and the Federal Government of Nigeria on the issue of foreign contract payment

consensus was reached and attention given to the report reaching us about the activities of some officials of the Central Bank of Nigeria who are in the

habit of diverting contractors payment and frustrating them by imposing unnecessary charges on them making it difficult for them to receive their payments.

The entire allegation leveled against CBN consequently compelled us to stop the Central Bank of Nigeria paying contractor's payment.

This development has been reported to the new Acting PRESIDENT, DR. GOODLUCK JONATHAN who is not happy with such actions as they were meant to tarnish the

image of the beloved country. He has therefore given instruction that all foreign contractors should henceforth stop going through the CBN officials to

pursue their contract claim. Any contractor going through the CBN is doing that at his or her own peril or palaver.

The United Nations Organization body after an in-depth and pains taking study of your financial and psychological predicament in receiving your fund in the

last few years, hereby this year 2010 resolved that immediate and unconditional payment release be effected to you via the Federal Ministry Of Finance (FMF).

This decision is based on memorandum of understanding signed with the above mentioned corporation and us in our capacity as professional have mandated and

empowered the Federal Ministry Of Finance (FMF) to solely handle all foreign contractual payment and other external debt services exercise as a trusted

corporation.

Finally, contract beneficiaries are advised to RE-CONFIRM their Contract Details, BANK ACCOUNT DETAILS, PHONE AND FAX NUMBER. Even Next-of-kin beneficiaries

and payment originating from security companies should follow in the same vein by re-confirming their Inheritance Details, BANK ACCOUNT DETAILS, PHONE AND

FAX, as the Federal Government will not be held liable in this regard. Further details concerning payment will be given to you once you contact the under

signed office of ACCOUNT DEPT. FEDERAL MINISTRY OF FINANCE CHAIRMAN ALHAJI MOHAMMED BELLO on his direct Telephone Number: Tel 234-819-1451807 Email

fmfnigfnooffice@gmail.com for the payment of US\$10.5MILLION. Your swift response is required to enable their office conclude your payment as soon as

possible.

Also quote payment release code: UNO/NNPC/FGN/2GG/VOL.2010 issued to you by the United Nations Organization to avoid let down on your request. We urge you to

co-operate with them in order to ensure a quick and final settlement of your long time overdue contract proceeds.

Thanks.
