**Subject:** Regulation of Retail Forex RIN 3038-AC61

---

Hello,

I learned today of the regulation that is being proposed which would limit the leverage in retail forex accounts. I am adamantly opposed to this regulation. I feel that we should be free to choose the amount and type of leverage that suits our individual appetite for risk. You would be taking away our freedom of choice in this matter. There is no reason to penalize participants in the Forex market.

Respectfully,

Chris Planinshek
