---

I want to express my strong disagreement, and opposition to the proposed leverage change **RIN 3038-AC61**. This regulation infringes upon my individual right to choose the amount of leverage that is appropriate for me. Freedom of choice is what makes this the greatest country on the planet. Let's keep it that way. Don't enact this regulation...please.

Thank you

Fred F. Taylor

Yesterday is history, tomorrow is a mystery, but today is a gift. That is why it is called the present.
