**Subject:** Regulation of Retail Forex

---

To Whom It May Concern,

**RIN 3038-AC61**

**I am adamantly opposed to the 10:1 leverage restriction being proposed. I currently trade up to 100:1 margin successfully and this proposed change would have a detrimental effect on my income. I believe it is up to the individual to determine their risk amount and not you.**

**Regards,**

**Marcus Standifer**
