David Stawick
Secretary, Commodity Futures Trading Commission
Three Lafayette Centre
1155 21st Street, NW
Washington, DC 20581

Dear Mr. Stawick:

I am writing in support of the CFTC's Proposed Federal Speculative Position Limits that will reestablish speculative position limits on major energy commodities.

I have been reading in the Post of these concepts and do get emails from groups seeking support of these rules.

I hope these new sensible rules can be put in place and the speculator lobbies will not succeed in watering this down.

Sincerely,

Sid Polk
