Subject: Regulation of Retail Forex - Public Comment

RIN 3038-AC61

Dear Sirs:

You are seeking public comment on proposed regulations concerning retail Forex trading.

I strongly oppose that leverage in retail forex customer accounts be subjected to a 10-to-1 limitation.

It is my strong belief that I should have the freedom and right to choose the amount of leverage that is appropriate for my individual desired risk, and that this basic principle of 'choice' is in jeopardy by the proposed CFTC regulations!

I feel strongly about the proposal and that is the reason I am writing you today so that you will not implement any regulation that would encumber my rights to choose the leverage that I see fit.

Sincerely,

John Webb
