David Stawick
Secretary, Commodity Futures Trading Commission
Three Lafayette Centre
1155 21st Street, NW
Washington, DC 20581

Dear Mr. Stawick:

"If oil stays at this price or goes higher, it will put a crimp on consumer spending. It will make the economic recovery weaker, and too many people are ignoring the impact this will have. We, as Americans, are growing weary of the sort of legislation that is NOT putting our best interests at heart.

Sincerely,

Patricia White
