O.K. who ever had this idea to take FOREX trading 10:1 is really lost it. I am going to personally get Michael Moore to put you'll in one of his videos. This is BS. There is no way the FOREX market can survive in the US, everyone will get foreign accounts then you will make no money. I do not know what your game plan is but it is not going to help the small guy. So here is what I got to say... Leave it alone do not do it!!  
P.S. Look at the genius at NBC and what he did to Jay the King of Late Night and he is going back, to the Tonights Show.
