**Subject:** 'Regulation of Retail Forex'

---

Dear Sir,

This is quite un-justified to Raise Trading Margin to 1:10. This Cruel decision shall deprive a lot many small traders who are earning for their livings.

This indicates that CFTC regulations are meant to monopolize for BIG investors and intend to eliminate small business traders.

Please do not deprive us from our basic rights to earn honourably with small financial resources.

Muhammad Iftikhar,  
Chief Executive  
Imperial Dental Supply Co.
