**Subject:** 'Regulation of Retail Forex'

---

Dear Sir,

I strongly agreed with you that leverage in retail forex customer accounts should be subject to a 10-to-1 limitation," which means 10:1 leverage would be the maximum amount allowed for all Forex traders in the U.S. In fact, i suggest that the maximum leverage is limit to 2:1 to avoid over risk taking.

Thank You.

Yours sincerely,  
Chen
