Subject: Regulation of Retail Forex

Dear Mr. Stawick;

In reference to Regulation of Retail Forex: **RIN 3038-AC61**

One should have the freedom and a choice in the level of risk one is willing to take on investments in Forex. The current regulation in place are restrictive enough. The proposed change would unfairly prevent many traders, both old and new, from a chance to participate at all in the Forex market.

Please DO NOT change the current rule (100:1).

Thank you, for your consideration in this matter.
