Dear CFTC,  
How about regulating US banks like JPM and Goldman Sach,  
Those are the market riggers, thieves and bring market instability!  
Changing ratio 1:100 to 1:10 only for retail users and not banks  
Is a very bad idea!  
By the way, did you already find out, why there is allowed the 98%  
Concentration of silver short position?  
Hereby I'd like to hear a response on the ongoing investigation  
And it's outcome so far.  
Thanks and have a nice day,  
Ing. M.krsjak, Phd.
