**Subject:** Regulation of Retail Forex

---

I strongly oppose any further changes to the leverage of retail forex. In particular I oppose any further reduction to 10:1 after the recent reduction to a maximum of 100:1 leverage.

This will not help me as a retail forex trader, rather it violates my freedom of choice to determine the amount of leverage for my desired risk profile.

Identification number RIN 3038-AC61

Sincerely,  
Teresa Burnett
