Dear Mr David Stawick,

regarding the propose of CFTC new rule about maximum leverage 10 :1, hereby I have objection to accept it.

I am small investor with the margin is not more than 500 USD . and until now still face lost in my account. While I am recovering it...your new rule will killing me and make me cannot return my losses....

I am sure that another retail investor will also face the same situation if your rule will go on....

So I say **NO about this rule**

Hope you notice our objection and abandone this rule

Thanks
Yosef
