David Stawick
Secretary, Commodity Futures Trading Commission
Three Lafayette Centre
1155 21st Street, NW
Washington, DC 20581

Dear Mr. Stawick:

I am writing in OPPOSITION to the CFTC's Proposed Federal Speculative Position Limits that will reestablish speculative position limits on major energy commodities. This rule will not provide stability to the marketplace and will interfere with the free market.

Thank you for this consideration,

Sincerely,

George McCutcheon
