Subject: Regulation of Retail Forex

It is apparent that control of everyone and everything is being controlled by SocialCommunist Obama. The purpose is to stop anyone from having opportunity to become wealthy even honestly, let alone dishonestly as he and all who are connected with the Daly Chicago Machine did it. I left Illinois years ago because of them. Please don't adopt RIN3038-AC61. This would be totally out of line in a free country. We still are aren't we??? Or have you missed what voters have said now the third time in Mass.??? Obama's totalitarian rule is coming to a halt. Rod Bricker
