Subject: Regulation of Retail Forex

Mr. Stawick,

I stand behind the belief that you should be given the freedom and right to choose the amount of leverage that is appropriate for your individual desired risk, and that this basic principle of 'choice' is in jeopardy by the proposed CFTC regulation RIN 3038-AC61.

I am sick and tired of the 'nanny state' this present government has contributed. Remember the Kennedy seat!

Sincerely,

Joseph Carrera
