Subject: STOP THE FRAUD ...before it's too late

Dear Sir;

Thank for the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Why cannot you do the job that you are paid to do?

I am an ordinary member of the public and I am sick to my teeth of the establishment stealing from the not so well off.

The internet has levelled the playing field. We all know what is going on. There is no hiding place.

Yours sincerely,

Chris Swain (UK)
