Subject: Limits on COMEX Silver

Dear Sir;

Thank for the opportunity to comment on the issue of position limits for precious metals.
Please establish a speculative position limit in COMEX silver of no more than 1500 contracts.

JP Morgan

has been amnipulating this market for too long.

Please restrict any hedging exemptions from those limits to legitimate hedgers. JP Morgan is not a

legitimate hedger.

Please stop the levels of concentration in COMEX silver futures that have been experienced over the

past few years on the short side of the market.

Sincerely,

Forrest Wilks
