Just a brief note,

There is no justice or fairness in a system which allows corporate entities to sell what they do not have into the marketplace. Please require the short sales to cover. I know there is fear in the chain of reactions which will come from such leadership, in the short view, it may seem as a catastrophe, but for our own good, please do this right thing. I honor you for your faithfulness to due process.

Even the Lord covered Adam and Eve when they were found to be naked. Please use your authority for its rightful purposes.

Respectfully,

Chris Kenton
