Subject: silver contract limits

Secretary of the Commission
Commodity Future Trading Commission

Dear Sir;

I would like to appeal to you once again to please enforce speculative trading limits of 1500 contracts on silver traders who have misused their exemptions in ways to manipulate these markets.

Over the past years and especially the last weeks more and more ordinary citizens have become painfully aware of the criminogenic atmosphere that exists at Wall St. You have the power to actually do something significant to bring order and fairness back to these markets.

To allow this crime in progress to continue when it is your job to stop it can only be viewed as an accomplice to the crime itself.

Yours truly,
Darryl Bruns
