Subject: Letter to advise you to impose position limits to stop the Fraud by the largest Banks in the silver and gold markets

Dear Sir or Mam,

It is obvious now to anyone that gold and particulary silver, are bieng manipulated by mainly by Goldamn Sachs and JP Morgan, Thank for the oppportunity to comment on the issue of position limits for precious metals.

Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

If you don't act against this obvious and factual manipulation and fraud in the precious metals markets, then you are endorsing outright fraud against the citizens of the world.

Sincerely,
Thomas P Morse
