**Subject:** position limits  
**Attach:** Certification

---

Dear Sir;

Thank you for this chance to comment on the issue of position limits for precious metals. I am writing to request that a speculative position limit in COMEX silver of no more than 1500 contracts be established.

Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Lorraine Kisly
