RE: Proposed Federal Speculative Position

Dear Sir:

I appreciate the opportunity to comment on the issue of position limits for precious metals.

My thoughts are:

- <!--[if !supportLists]-->• <!--[endif]-->Establish a speculative position limit in COMEX silver of no more than 1,500 contracts.
- <!--[if !supportLists]-->• <!--[endif]-->Restrict any hedging exemptions from those limits as well to legitimate hedgers.
- <!--[if !supportLists]-->• <!--[endif]-->Stop the levels of concentration in COMEX silver futures that have been experienced over the past several years on the short side of the market.

Thank you for all your efforts to improve the integrity of our markets.

Sincerely,

Loretta Weston
