Subject: ref: Proposed Federal Speculative Position

David Stawick, Secretary, Commodity Futures Trading Commission

Three Lafayette Centre

1155 21st Street NW

Washington, DC 20581

Dear Mr. Stawick,

It is outrageous that the CFTC has allowed the obvious market manipulation in Precious Metals to continue for as long as it has. Failure to put limits on the short positions and bring the naked shorts to account for their on-going fraud is long past due. Continued inaction can only be construed as complacency in the fraud. How much longer must the in-the-know public wait for justice?
