Subject: Position limits in COMEX silver

Dear Mr.Stawick

As you know,speculative positions in COMEX silver on the short side of the market have been allowed for years. This has adversely affected the market. I respectfully request that you establish a speculative position limit of no more than 1500 contracts in COMEX silver.

Thank you for the opportunity to comment after your recent hearing in this matter.

Sincerely,

V.G.Holzapfel
Davidsonville,MD
