---

Dear Sir;

I am a silver investor and believe I am being negatively and unfairly affected by the size of the existing short position! I would like the playing field to be level.

Please establish a speculative position limit in COMEX

silver of no more than 1500 contracts. Please restrict any hedging

exemptions from those limits to legitimate hedgers. Please stop the levels

of concentration in COMEX silver futures that have been experienced over the

past few years on the short side of the market.

Sincerely,

Michael Furbush
