---

**Dear Mr. Stawick,**

**Thank you for the opportunity to comment on the issue of position limits for precious metals.**

**#1. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts.**

**#2. Please restrict any hedging exemptions from those limits as well as legitimate hedgers.**

**#3. Please stop the levels of concentration in COMEX silver futures on the short side of the market.**

**Thank you for your efforts to improve the integrity of the markets!**
