Dear Mr. Stawick,

I appreciate the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have existed over the past several years on the short side of the market.

Thank you for your efforts to improve the integrity of these markets.

Sincerely,

David E. Fortune
