Subject: Position Limits for silver

It is incredible that anyone even has to write to ask for legitimate position limits in silver, (with no tricky exceptions for JP Morgan) because this is the way it should have been all along. 1,000-1,500 contract limits, period, except for LEGITIMATE hedgers, The above article pretty much sums up my feelings, regarding todays announcement about Goldman Sachs and the fraud allegations by the SEC, This fraud on silver and gold investors MUST end. Thanks for your time. Martin Wetter, Westwood, New Jersey
