**Subject:** Position Limits

---

Thank you for the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of a maximum of 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past several years on the short of the market.

Thank you for your interest and attention.

James Gilmore
