commenter_subject: FOREX Trading Margin 100 to 1 vs 10 to 1

commenter_comments: I guess those of you in government who are not
elected didn't get the message that was so clear in
Massachusetts! We are tired of TOO MUCH GOVERNMENT
INTERFERENCE AND REGULATIONS!!

If you pass this current policy to change the
Trading Margin it will do one and one thing only.
It will send all of the providers out of the US and
we as traders will follow them electronically.

GET YOUR HANDS OFF OF OUR BUSINESS!!! IT IS STILL
IN It'S INFANCY! LET US GROW BEFORE YOU TRY TO
KILL US!!
