**Subject:** About position limits for precious metals

---

Dear Sir;

Thank for the opportunity to comment on the issue of position limits for precious metals.

Please establish a speculative position limit in COMEX silver of no more than 1500 contracts.

Please restrict any hedging exemptions from those limits to legitimate hedgers.

Please do not further allow JP Morgan or any other single bank to cover more than 5 % of either the short or the long side of a comex future market.

Sincerely,

Roger Müller
