Dear Sir,

Establish a speculative position limit in COMEX silver **maxed at 1500 contracts**.

Restrict any hedging exemptions from those limits to legitimate hedgers.

Halt the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

I am impressed by your attention to-date in this matter. Thank you for the opportunity to comment on the issue of position limits for precious metals.

Sincerely,

Rose Marie Norton
