---

Dear Sirs:

Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

I believe sufficient evidence has been provided to you to make the right decision on position limits. The COMEX should be a level playing field. Please do not let us down like the SEC.

Thank you.

Respectfully submitted,  
Scott Brown  
An individual investor.
