Subject: Comments for upcoming hearing on Silver Futures

To whom it may concern;

Please establish a limit on speculative positions in COMEX silver of no more than 1000 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers.

In essence, please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Thank for the opportunity to comment on the issue of position limits for precious metals.

Sincerely,

James and Terry Trantham
