Subject: Position Limits

DearSirs; I would like to take this opportunity to thank you for your recent meetings, As i would like to comment on positions limits for precious metals. Please establish a speculative position limit in COMAX Silver of no more than 1500 contracts. Please restrict any hedging exemptions from these limits to legitimate hedgers. Please stop the levels of concentration in COMAX Silver Futuresw that have been experienced over the past few years on the short side of the martket Sincerely RFPalmer
