Dear Sir;

Thank for the opportunity to comment on the issue of position limits for precious metals. I would appeal to your sense of what is right, and ask you to do the following in that spirit:

-Establish a speculative position limit in COMEX silver of no more than 1500 contracts.

-Please restrict any hedging exemptions from those limits to legitimate hedgers.

-Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market. I thank you in advance for your work.

Sincerely,

Pete Ohlinger
