Subject: COMEX Silver Futures

Dear Sir;

As President and CEO of a junior silver exploration company, I would like to thank you for the opportunity to comment on the issue of position limits for precious metals. First of all, I applaud you and your committee for the work you have done to investigate the concentration in COMEX silver futures. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Brian E. Robertson
