Subject: Silver Position Limit

Dear Sir;

Thank you for holding the public hearing.

I believe it is more important to act right first and let the issue of volume take care of itself. Therefore I like to suggest establishing a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Hang Hui
