Subject: Regulation of Retail Forex

RIN 3038-AC61
Dear Mr. Stawick,

I would like to say that I do NOT agree with the proposed regulations concerning retail Forex trading, especially with the statement that "leverage in retail forex customer accounts **would be subject to a 10-1 limitation**".

I stand behind the belief that I should be given the freedom and right to choose the amount of leverage that is appropriate for my individual desired risk, and that this basic principle of 'choice' is in jeopardy by the proposed CFTC regulations.

Sincerely yours,

Jose Rosa
