Subject: Please do the right thing!

Dear Sir,

There seems to be abundant evidence for the manipulation of silver prices. This manipulation may help the insiders, but it hurts average investors like me. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Kent Otterman
