Subject: Position limits

CFTC,

Thank for this opportunity to comment on the issue of position limits for precious metals. **Please** establish a speculative position limit in COMEX silver of **no more than 1500 contracts**. Please restrict any hedging exemptions from those limits to **legitimate** hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market. Your action in this matter is the highest urgency for our free markets.

Thank You!

Sincerely,

John M Sharp- 828 371 0972
