Subject: Precious metals position limits

Dear Sir;

Thank you for the chance to comment on the issue of position limits for precious metals. I would like to see the following: establish a speculative position limit in COMEX silver of no more than 1500 contracts, restrict any hedging exemptions from those limits to legitimate hedgers and stop the levels of concentration in COMEX silver futures that have occurred over the past few years on the short side of the market.

Sincerely, Judith Boone Asheville, NC
