**Subject:** Forex Trading Margin

---

Please **do not** raise the Forex trading margin from 100 to 1 to 10:to 1. Increasing the margin would be very detrimental to a large number of small traders. The proposal would significantly reduce our profits without increasing our investment safety. General market efficiency is enhanced by the large numbers of small independent traders. We do not need to be protected from ourselves in this manner

Thank you,  
Calvin A. Smith
