**Subject:** Public Comment: Precious Metal Position Limits

---

Dear Sir/Madame;

Thanks for allowing commentary on the issue of position limits for precious metals.

→ Please establish a speculative position limit in COMEX silver of no more than 1500 contracts.

→ Please restrict any hedging exemptions from those limits to legitimate hedgers.

→ Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Thank you,

Diane Cohn
