Subject: Regulation of Retail Forex

Mr. Stawick,

My broker has informed me that the CFTC has proposed limiting leverage on retail Forex accounts to a 10:1 ratio. I am TOTALLY against it.

I'm told to use this identification number - RIN 3038-AC61, for what it's worth.

I'm trying to stay off my soap box, but it is difficult. This country is moving closer and closer to socialism every day, and soon the word capitalism will be a thing of the past. This could be a major step in eliminating the Forex market.

Enough said.

Thank You,

Thomas D. Brown
