Subject: Position Limits in COMEX Silver

Dear Sir;

Thank for the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

It is clear that action from the CFTC on this matter is long overdue. Please do your job and protect the citizens of the country!

Sincerely,

Ronald Epner, M.D.
