Dear Sir;

I want to thank the CFTC for the hearing on the 25th of March on position limits on precious metals, especially silver.

I would also like to thank you for the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Do you remember the Hunt Brothers, and what they tried to do to corner the silver market?

Sincerely,

Ronald Hanna,

Moreno Valley, Ca.
