Subject: Limits please

Dear commission member, Concerning position limits for precious metals, please help a simple citizen such as myself. Please put speculative position limits in the COMEX gold and silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits. Please stop the levels of concentration in the COMEX silver futures that have been experienced over the past few years on the short side of the market. Thanks for your help and concern. Dean Diamond meltoff@butler-bremer.com..
